**FIRST STATUS REPORT ON BEHALF OF DEFENDANTS,  
FRANK JASTRZEMBSKI AND MANUEL SANTIAGO**

On April 25, 2022, the Court entered a limited stay, by consent, as to defendants, Frank Jastrzembski and Manuel Santiago pending the outcome pending criminal proceedings at Commonwealth v. Jastrzembski, MC-51-CR-0015176-2021 and Commonwealth v. Santiago, MC-51-CR-0015178-2021. The Court further ordered that a status report be provided every sixty days regarding the criminal proceedings.

The charges at issue in both proceedings were held for trial in April 2022, and are scheduled for trial on September 18, 2023. Pre-trial motions are expected which could potentially result in the dismissal of the charges. In these civil cases, motions to dismiss are pending, a Rule 16 conference is scheduled but has not yet been held, and no deposition discovery has begun. As there is presently no pressing need for discovery from defendants Jastrzembski and Santiago, it is requested that the stay remain in place pending the next status update due in sixty days.

Respectfully submitted,
